

Material Name/Identifier: Brake Kleen (Deodorized)		Stock No. 303	
SECTION VI-TOXICOLOGICAL PROPERTIES OF PRODUCT			
Route of Entry: ALL Routes	--SKIN CONTACT --SKIN ABSORPTION --EYE CONTACT --INHALATION --INGESTION		
Effects of Acute Exposure:	Headache, vomiting, dizziness, nausea, cough, pulmonary irritation.		
Effects of Chronic Exposure:	Prolong and over exposure may cause eye irritation, skin irritation defatting, dizziness, intoxication.		
	Inhalation of tetrahydroethylene at high concentration may have carcinogenic effect.		
LD 50 of Product:	N/E	LC 50 of Product:	N/E
Irritancy of Product:	Skin and Eye	Exposure Limits of Product:	N/E
Sensitization of Product:	N/E	Toxicologically Synergistic Materials:	N/E
--CARCINOGENICITY --REPRODUCTIVE EFFECTS --TERATOGENICITY --MUTAGENICITY			
Tetrahydroethylene is listed as a potential carcinogen by IARC. No information is available and no adverse reproductive effects are anticipated.			
SECTION VII-PREVENTIVE MEASURES			
Personal Protective Equipment to be used:			
Gloves(specify):	Chemical resistant gloves	Eye(specify):	Wear safety glasses or goggles.
Respiratory(specify):	Not required in normal use	Clothing:	Not required
Respiratory Protection:	If used indoors or on a continuous basis, use of NIOSH approved cartridge type respirator is recommended		
Engineering Controls:	Local or mechanical positive exhaust ventilation required.		
Leak and Spill Procedure:	Absorbent material to be used.		
Waste Disposal:	Aerosol cans to be disposed of at local recycling depots. Or as per local regulation.		
Storage Requirements:	Store at room temperature. Keep container closed when not in use.		
Handling Procedures and	Handle with care, keep away from heat, source of ignition, open flame.		
Equipment:	Keep away from children. Do not ingest or inhale.		
HMIS Rating:	H2, F0, R0		
NFPA /CNFC 3.3.5	Level 1		
TDG Classification:	limited quantity		
WHMIS Classification:	Consumer Commodity, Complying with CCCR 2001 regulation		
SECTION VIII-FIRST AID MEASURES			
Eye:	Wash with water for at least 15 minutes. Consult a physician immediately.		
Skin:	Wash with clean soapy water for 5 - 10 minutes, consult doctor if irritation or rash persist.		
Inhalation:	Move patient to fresh air and restore breathing if required. See doctor if discomfort persist.		
Ingestion:	DO NOT INDUCE VOMITING, Seek medical help immediately.		
SECTION IX-PREPARATION DATE OF M.S.D.S.			
Additional Info/Comments:		Sources Used: Supplier's data	
Phone Number:	(905) 793 4311	Prepared By: Quality Control Laboratory	
Date Prepared:	January 2, 2012.	Kleen-Flo Tumbler Industries Limited
